

ADVANCED ATOMIZATION TECHNOLOGIES

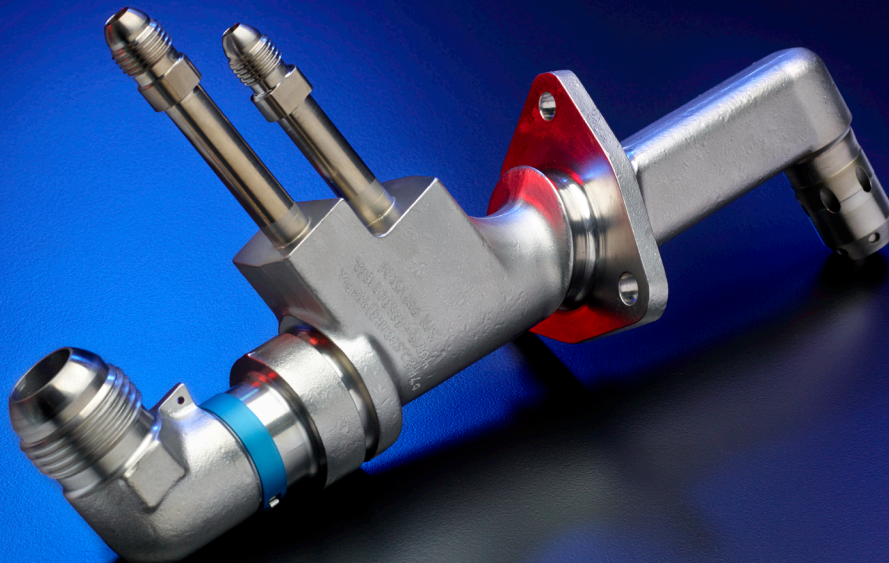

A Parker Aerospace & GE Aviation Joint Venture

A DIVISION OF AP4 GROUP

Exclusive Distributor: Advanced Atomization Technologies

Reliable Delivery of Quality Parts Worldwide

Advanced Atomization Technologies

Exclusive OEM Alliance Since 2014

As we strive to be an integral part of our customer's operations, our OEM alliances are a critical component to this ability. Our strategic partnerships are what allow us to be the leading stocking distributor of genuine, high-quality industrial gas turbine parts.

As an exclusive distributor for **Advanced Atomization Technologies**, **AP+M - A Division of AP4 Group** provides **genuine OEM fuel nozzles** for GE LM series turbines.

Advanced Atomization Parts Available

- Gas Water Fuel Nozzles
- STIG Fuel Nozzles
- Gas Only Fuel Nozzles
- DLE Premixer Nozzles
- Dual Fuel Nozzles
- Liquid Fuel Nozzles

The AP+M Parts Advantage

- Extensive inventory of genuine, new OEM consumables and hardware in stock
- Same day dispatch on most parts orders
- Competitive pricing structures
- Dedicated customer support managers
- Warranty of 18 months from delivery date or 12 months from installation
- Advance exchange units
- Original OEM approved repair and overhaul with competitive turn-around times

All of our in-stock aeroderivative and heavy-duty parts are available for immediate delivery with capabilities to ship 24/7.

AP4 Group Operating Divisions
